

Our soaps are our artistic canvasses.

The color selection, style of drop or swirling of colors, along with the essential oil blends & herbal inclusions, all sum up the full artistic movement. Please feel free to ask for specific colors or essential oil blends for your specific needs.

Goat's Milk Soaps

Made with fresh, raw goat's milk from a local 4-H farming family in Crown Point, Indiana. These soaps are amazing for all skin types, all ages, and for use anywhere and we only use natural & raw oils, butters, and scents. Goat's milk soaps pack a healthy punch of vitamins & minerals as well as hydrated cream and alpha hydroxyl acids which keep skin looking young and promotes healthy skin growth. Each of our bars are cut, stamped, and packaged individually with love.

Traditionally Hand Cut Goat's Milk Soaps

WSP: \$3.50 | MSRP: \$7

~ 3.0 oz each

Lemongrass

A rounded citrus aura is how to describe the refreshing smell of this Lemongrass bar – a must try. Lemongrass essential oil scented. Colored with micas, which are natural silicates.

Unicorn Poop

This bestselling soap is a huge hit with kids of all ages. It's bright, funny, and fruity smelling. You may be tempted to eat it, but #donteatthesoap.

Sweet Patchouli

Earthy, grounding, centering – all essential for physical, emotional, and mental wellness. The clays used for coloring are a great anti-oxidant addition to a daily routine. Patchouli & Sweet Orange essential oil scented & topped with dried chamomile & blue cornflower blossoms.

Colored with French Red Clay, Beet Root Powder, & Titanium Dioxide

Lavender

This is a favorite our customers continually come back to buy. Organic dried Lavender buds throughout and on top of each bar. Lavender essential oil scented. Dried Lavender buds throughout & on top of bar.

Specialty Soaps

Our specialty soaps are one-of-a-kind and are formulated for safe daily use.

The Detox Soap

(Activated Charcoal)

WSP: \$3 |MSRP: \$6
~1.75 oz each

This activated charcoal bar with bentonite clay has a blend of Peppermint & Eucalyptus essential oils – it is perfect for skin pH balancing, acne treatment, or even as poison ivy/oak treatment. Peppermint & Eucalyptus essential oil scented. Colored with Activated Charcoal Powder.

Dried green tea leaves are ground with a mortar & pestle to a fine powder. These are then added to goat's milk soap along with Tea Tree essential oil. It's light exfoliation along with an anti-oxidant punch is refreshing. Each is molded or cut in a geometric likeness including spheres, right triangles and small rectangles. Each is then threaded on paracord to help promote hanging of the soap after use and better drying
